

SVKM's NMIMS Deemed-to-be University

Nilkamal School of Mathematics, Applied Statistics & Analytics

Ph.D. Guides and research areas:

Sr. No.	Name of the Guide	Research Area
1	Dr. Sushil Kulkarni	Data Science, Machine Learning, Artificial Intelligence, deep learning.
2	Dr. K S M Rao	Nonparametric Inference, Statistics in Social & Allied Sciences
3	Dr. Pradnya Khandeparkar	Statistical Inference
4	Dr. Rushina Singhi	Data Science, Advanced Statistical Analysis, Supply Chain Analytics, Healthcare Management, Spirituality and Management
5	Dr. Leena Kulkarni	Reliability Theory, Applied Probability, Time Series Data Analysis, Multivariate Data Analysis.
6	Dr. Suresh Pathare	Statistics, Operations Research, Statistical Inference, Actuarial Science, Stochastic Processes, Business Analytics, Decision Science, Quantitative Techniques.
7	Dr. Santosha C D	Parametric and Non-parametric Inference, Ranked Set Sampling
